Southern District Division
West Palm Beach, FL

Joseph D. Gilberti, P.E.,
Plaintiff,

Case No: 9:24-cv-81065-DMM

v.

Donald J. Trump; VP Karaela Harris;
Judge Donna Marie Padar, Board of Broadcasting
Governors; President Joe Biden; et. al.

Plaintiff Request Judge Donald M.
Middlebrooks RECUSE Himself from case

Comes Now, Plaintiff, Joseph D. Gilberti, P.E., pursuant to FREP request Judge Donald M. Middlebrooks RECUSE HIMSELF due to obvious conflicts with Defendants, such as but not limited to, Board of Broadcasting Governors tied to American Broadcasting Companies, Inc., which Judge Donald M. Middlebrooks defended in Bates v. Cook, Inc., 509 So 2d 1112 while working for Steel, Hector and Davis Lawfirm.

(1) Judge Donald M. Middlebrooks should also recuse himself from and office assigned cases, such as Gilberti v. National Guard, et al. in this district. The fact that he was assigned to both within a two week period, when Trump worked in Hollywood and Karaela Harris is married to Mr. Emmott who works in Hollywood all tied to Title 22 USC 31461-19 and 2612 (1) H.R. 5736 IS A CONFLICT!

Facts (CONT.)

- (2) Plaintiff has a Mandamus file in Boston MA, called Gilbert v. Secret Service, et al, filed on 9-11-2024 in Federal court, with correspondence involving Judge Donald M. Middlebrooks and Aileen Cannon in context with the 37 state attacks.
- (3) Plaintiff feels he will not receive a fair and impartial trial with Judge Middlebrooks.
- (4) Judge Middlebrooks is upset at JAC issues on related Judges which Plaintiff has JAC issues on for with over 16 Senators and Florida Judges.
- (5) The Southern District is aware of South Florida Act Dissemination tied to Boston Marathon and Complaint/ civil Rights as well as the Steven Douglas Shooting and AR15 issues and Gilbert's cousin in Broward. As well as Plaintiff's offer to Parkland Survivors due to timing of SDEP Inclusions list for funding 17 days prior to Shooting. As if nobody knows, Thousands see the timing now. Secret Service too. Test the Resource! Verified by Tim Murray who verifies all Palm Beach agencies.
- (6) Judge Aileen Cannon receives Gilbert v. Rubio, et al on July 17, 2024 and next day Trump 'Fantastic Exit Speeches' by Mr. Cooks? happens next day and 34 charges dropped. Like America is a bunch of Fools! But Trump won't verify resource with Harris? See Trump ICE Bottled Water? (2)

Facts (CONT.)

(7) Plaintiff is suing Elon Musk, Mark Cuban, Trump Harris, NASA, Space X and more in Texas/California for similar T.H.E.15 USC dissemination and adding Judge Donald Middlebrook for said issues. So this Motion/Request puts Judge Middlebrooks and All Southern District on Notice is Northern, Middle and (Florida) Southern District have played the US Resource/Knowledge to suppress it with Ketanji Brown Jackson order in Gillham v. Federal Reserve, et al. in 2019. An "ongoing systematic conduct to Defraud the United States" with Federal/State Courts to Attack 'site sourcing' of deep underground "Penny Spring Water" across that is ENDLESS with a Hollywood gang of JERICOETS!

(8) Hollywood, Presidents, Board of Broadcasting Governors (Global Media) with Judges, Sheriffs, Cops, Lawyers, CIA, FBI, need to help America and open this Technical, Scientific and Engineering data per T.H.E.15 USC versus Counting Votes for two elections aimed to Lose. Otherwise I wouldn't be kidnapped OVER and OVER again by Tampa/Kansas City Judges/Fake Cops.

Wherefore, Plaintiff for said reasons above (1-8) request Judge Middlebrooks to recuse himself from any case with Plaintiff involved.
